
Dear Church or Ministry Leader:

Our church will be hosting Chiz Rider in concert on

Chiz is an extremely talented trumpet player from State College, PA. Charles “Chiz” Rider’s “high-tech, high-energy, high-God” concerts are bold when it comes to his faith. His Christian testimony and passion for Jesus Christ permeates through his life and his music. Widely renowned in Christian and secular circles alike, Chiz receives glowing reviews and endorsements wherever they go...which is most everywhere! Dr. John DeBrine of Songtime USA commends Rider for his “ministry motivation”...one prominent Nashville producer calls him “the finest man I’ve had the privilege of working with”...a TB producer in Pittsburgh says, “There is no arrogance or egotism in him. He is a very special man.”...and a youth director in Iowa writes “The way Chiz and his crew related to the youth and to the volunteers who helped set up and tear down was wonderful.” Chiz Rider’s artistry never detracts from his number one priority...ministry!

His purpose? “...to bring encouragement and edification by generating praise and worship to the Lord within each heart...to present the claim of Christ that ‘all have sinned,’ and only by accepting His payment can people come to a saving knowledge of and spend eternity with God in heaven.”

Chiz has been refining his unique pop-jazz style, taking after greats like Louis Armstrong and Branford Marsalis. He became the youngest artist to be signed by Myrrh Records since Amy Grant. With many national TV and sports event appearances to his credit, Rider also has three videos that regularly appear on music programs, and thrills his audiences with lighting, video, and pyrotechnic effects in his concerts, to the delight of families and youth groups across the nation.
